For the avoidance of doubt, the User will be responsible for any act or omission of such third party which breaches the terms of this Agreement as if such acts or omissions were its own.

5. INTELLECTUAL PROPERTY RIGHTS

- 7.1 Unless otherwise agreed by the parties in writing, each Service shall continue for a minimum period of 12 months ("**Initial Term**") and will automatically renew for further 12 month periods (each a "**Renewal Period**"). Each Service will continue until a party provides the other party with written notice for the time period specified in the applicable Service Schedule, which shall take effect no earlier than the end of the Initial Term or the end of the then current Renewal Period. The Services will be renewed at the prevailing rate in accordance with the then current Nielsen Brandbank rate card. Nielsen Brandbank will use reasonable efforts to notify the User in writing (including email) of any change to the prevailing rate at least 45 days in advance of the end of the Initial Term or the then current Renewal Period. Where the User does not provide any feedback to the contrary and has not terminated the Agreement in accordance with this clause, the User agrees to the new prevailing rates.
- 7.2 This Agreement will automatically terminate with immediate effect upon the termination of all of the Service Schedules incorporated into this Agreement.
- 7.3 Without limiting any other rights or remedies, either party ("**Terminating Party**") may terminate this Agreement and/or any Service Schedule with immediate effect by providing written notice to the other party ("**Defaulting Party**") on or at any time after the occurrence of any of the events specified below:
 - 7.3.1 a breach by the Defaulting Party of its obligations under this Agreement or any Service Schedule which (if the breach is capable of remedy) the Defaulting Party has failed to remedy within 10 Business Days after receipt of notice in writing from the Terminating Party requiring the Defaulting Party to do so;

- 7.4 If this Agreement and/or any Service Schedule terminates for any reason:
 - 7.4.1 any Order or Third Party End User Agreement in force at the time of termination relating to the terminated Services will automatically terminate;
 - 7.4.2 Nielsen Brandbank shall not have any obligation to repay any charges paid by the User;
 - 7.4.3 notwithstanding any other provision, all charges payable by the User to Nielsen Brandbank under this Agreement or the relevant Service Schedule will become due and payable immediately. - 8.2 Clause 8.1 will not affect the User's payment obligations under this Agreement.

9. CONFIDENTIALITY

- 9.1 A party ("**Receiving Party**") will keep in strict confidence all technical or commercial know-how, specifications, inventions, processes or initiatives which are of a confidential nature and have been disclosed to the Receiving Party by the other party ("**Disclosing Party**") or its employees, agents or sub-contractors and any other confidential information concerning the Disclosing Party's business, its products and services which the Receiving Party may obtain ("**Confidential Information**").
- 9.2 In relation to any Confidential Information received from the Disclosing Party or from a third party on behalf of the Disclosing Party, the Disclosing Party and the Receiving Party agree:
 - 9.2.1 to treat the Confidential Information in confidence and to use it only for the purpose of discharging the Receiving Party's obligations under this Agreement;
 - 9.2.2 not to copy or write down any part of the Confidential Information except as is reasonably necessary in connection with the Services;
 - 9.2.3 not to disclose the Confidential Information to any third party without the express written permission of the Disclosing Party (except that the Receiving Party may disclose the Confidential Information to its employees, agents and sub-contractors who need access to the Confidential Information strictly in connection with discharging the Receiving Party's obligations under this Agreement and provided that such employees, agents and sub-contractors are made aware of the confidential nature of the Confidential Information and are subject to confidentiality obligations at least as onerous as those set out in this Agreement); and
 - 9.2.4 to treat the Confidential Information with the same degree of care and with sufficient protection from unauthorised disclosure as the Receiving Party uses to maintain its own confidential or proprietary information.
- 9.3 Nothing in this Agreement will prevent the Receiving Party from using or disclosing any Confidential Information which:

 - 9.3.2.2 to have been independently developed by the Receiving Party without reference to the Confidential Information;
 - 9.3.3 the Receiving Party obtains or has available from a source other than the Disclosing Party without breach by the Receiving Party or such source of any obligation of confidentiality or non-use;
 - 9.3.4 is disclosed by the Receiving Party with the prior written approval of the Disclosing Party; or
 - 9.3.5 is required by law to be released (e.g. by a court order), provided that, when permitted by the applicable law, the Disclosing Party is given as much prior written notice as possible of such request.
- 9.4 This clause 9 will survive the termination of this Agreement.

10. SEVERABILITY

If any provision of this Agreement is held to be invalid, illegal or unenforceable for any reason by a court of competent jurisdiction, such provision will be severed and the remainder of this Agreement will continue in full force and effect as if this Agreement had been executed with the illegal or unenforceable provision eliminated.

11. NOTICES

All notices must be in writing and are deemed given when mailed by registered or certified mail, return receipt requested, to the other party's address specified on the cover sheet of this Agreement or such other address as is notified to the other party in writing. It is agreed that serving notice by email or fax will not be an effective method of providing notice under this Agreement.

12. VARIATION

12.1 Nielsen Brandbank reserves the right at any time to modify this Agreement or the Services and to impose new or additional terms or conditions. If the User continues to use the Services after being notified of any such modification or additional terms, the User will be deemed to have accepted these changes and they will be incorporated into this Agreement.

12.2 Subject to clause 12.1, no variation of this Agreement will be effective unless it is in writing and signed by the authorised representatives of the User and Nielsen Brandbank.

13. ASSIGNMENT AND SUB-LICENSING

13.1 This Agreement is for the benefit of, and binding on, the parties and their respective successors and assigns. It may not be assigned by either party without the prior written consent of the other party, except that Nielsen Brandbank may, upon notice, transfer its rights and obligations under this Agreement to a Nielsen Brandbank Affiliate.

13.2 Nielsen Brandbank may sub-contract any of its rights or obligations under this Agreement. The User may sub-contract any of its rights or obligations under this Agreement provided that it has obtained Nielsen Brandbank's prior written consent and ensures that any of its sub-contractors are made aware of, and are legally bound to comply with, the terms of this Agreement. Each party will remain fully responsible for the acts and omissions of any of its sub-contractors.

14. AUDIT

14.1 During the term of this Agreement and for a period of two years following its termination, upon reasonable notice to the User, Nielsen Brandbank will have the right to audit all usage of the Deliverables by the User, provided that the User will not be required to submit to such audit more than twice in any calendar year. The User will provide Nielsen Brandbank (and its auditors and other advisers) with all reasonable co-operation, access and assistance in relation to each audit. The parties will bear their own costs and expenses incurred in respect of compliance with their obligations under this clause 14.1, unless the audit identifies a material default by the User, in which case the User will reimburse Nielsen Brandbank for all of its reasonable costs incurred in the course of the audit.

14.2 If an audit identifies that the User is in breach of this Agreement, without prejudice to Nielsen Brandbank's other rights and remedies, the User will promptly take the necessary steps to comply with its obligations (including making an additional payment for any use of the Deliverables outside of the agreed licence scope at Nielsen Brandbank's then current rates).

15. MISCELLANEOUS

15.1 This Agreement, any Orders and any ancillary agreements may be signed in counterparts. Each signed copy of a document will be deemed to be an original, but all signed copies, when taken together, will constitute one and the same agreement.

15.2 All obligations in this Agreement which expressly, or by their nature, are intended to continue beyond the termination of this Agreement (including provisions relating to confidentiality, liability, indemnification, data protection and governing law) will survive the termination of this Agreement.

15.3 Nothing in this Agreement is intended to, or will be deemed to establish any partnership or joint venture between the parties, make a party the agent of the other party or authorise a party to make or enter into any commitments for or on behalf of the other party.

15.4 No one other than a party to this Agreement, their successors and permitted assigns, will have any right to enforce any of its terms.

15.5 The rights and remedies provided under this Agreement are in addition to, and are not exclusive of, any rights or remedies provided by law.

15.6 No failure or delay by a party to exercise any right or remedy provided under this Agreement or by law will constitute a waiver of that or any other right or remedy, nor will it prevent or restrict the further exercise of that or any other right or remedy. No single or partial exercise of such right or remedy will prevent or restrict the further exercise of that or any other right or remedy.

If this Schedule 11 (*Connect Service*) terminates, (or upon Nielsen Brandbank receiving a deletion request by the relevant Connect Supplier in respect of specific Connect Assets only) then the licence provided in this paragraph will automatically terminate.

5. INDEMNITY

- 5.1 The Connect Supplier will indemnify and keep Nielsen Brandbank and its Affiliates indemnified against all losses, costs and liabilities and all expenses, including reasonable legal or other professional expenses, suffered or incurred by Nielsen Brandbank and/or its Affiliates arising out of or in connection with any claim:
